

## Course: Cross Cultural Communication

Programme: B.Tech.

Year: 2021-22

Semester: VII

Course: Other Elective

Credits:3

Hours:40

### Course Context and Overview (100 words):

This course aims to equip the students with the knowledge and skills of communicating effectively with people of diverse cultural backgrounds in today's increasingly interconnected, multicultural and globalized world. The course integrates theory, strategies and applications to develop in them an understanding of cultures, an appreciation for cultural differences and a sensitivity in cross cultural interactions. The students will learn to select and perform communication behaviors appropriate to diverse settings and contexts. Through the classroom interactions, case studies, activities and assignments, they will grasp the features that define world's cultures, hone their spoken, written and interpersonal skills. They will learn to bridge cultural divide, connect with audiences, communicate successfully and achieve desired goals in their professional as well as personal lives.

**Prerequisite Courses:** N/A

### Course outcomes (COs):

On completion of this course, the students will have the ability to:
<b>CO1</b> Demonstrate knowledge and understanding of the basic concepts and conceptual frameworks of cross-cultural communication
<b>CO2</b> Appreciate the practices and diversity of prominent nation state cultures
<b>CO3</b> Utilize suitable linguistic and communicative strategies for contextual appropriateness, intercultural awareness and sensitivity
<b>CO4</b> Apply strategies to overcome the barriers to effective cross-cultural communication
<b>CO5</b> Display a range of strategic skills including situation analysis, negotiation, decision making, linguistic tact and teamwork
