SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that **Ms. Siddhi Agrawal** from **LNM Institute of Information Technology, Jaipur** has successfully completed her internship at Eagleview from **02 Jan 2023 - 26 Jul 2023**.

Throughout the duration of the internship, Siddhi embarked on a comprehensive learning journey, commencing with foundational aspects of React and Golang. Despite her initial assignment to the ML team, she dived into the rudiments of Machine Learning, Python programming, and AWS services. This multifaceted technical exploration paralleled her immersion in mastering Scaled Agile practices. Her commitment manifested in her active participation in team meetings and engagement in PI planning sessions.

Demonstrating exceptional performance over the course of her internship, she achieved and exceeded predefined benchmarks by making impactful contributions, including but not limited to:

a. Pioneering the development of a robust visualization tool tailored for ML execution within the Data Derivative Pipeline (DDP). This tool significantly enhances the debugging and quality assurance processes.

b. Orchestrating the implementation of a comprehensive metrics comparison framework for the entire spectrum of YOLO family algorithms. This undertaking not only underscores their technical prowess but also underscores their deep understanding of algorithmic intricacies and analytical acumen.

Her association with us was very fruitful and we wish her all the best in his future endeavors.
