Internship Completion Certificate

This is to certify that Rishabh has successfully completed the internship program at RefactorQ as the Software Engineer - Trainee from 30 Jan 2023 to 30 June 2023.

Rishabh displayed dedication, enthusiasm, and a strong willingness to learn throughout his internship. He made valuable contributions to our organization and demonstrated excellent performance in his assigned tasks and projects.

We would like to acknowledge Rishabh's exceptional skills he worked as a Backend developer where he created API using MongoDB, MySQL, and other libraries like JsonWebToken, Passportjs, Mongoose, and Expressvalidator. He effectively utilized his technical knowledge and demonstrated high professionalism in his work. He successfully collaborated with the team, participated in brainstorming sessions, and consistently met project deadlines.

We appreciate Rishabh's hard work, commitment, and contribution to our company. He showed a strong work ethic, a positive attitude, and a willingness to take on new challenges. His ability to adapt to new situations and work well within a team environment was commendable.

Based on his performance evaluation and feedback from his supervisors, Rishabh showed significant growth and improvement in their skills and knowledge during the internship period. He demonstrated a genuine passion for their work and a desire to excel in their chosen field.

Therefore, we proudly present this Internship Completion Certificate to Rishabh, acknowledging their successful completion of the internship program at RefactorQ. We wish him continued success in their future endeavours and trust that the skills and experiences gained during his time at RefactorQ will contribute to their professional growth.
