Experience Letter

This is to certify that Mr. Priyansh Bordia has been working with us since 02 January 2023 to 31st July 2023, and his designation is a Software Intern.

Your role and responsibility at the company during your internship:

- Built critical dashboards around Business Reporting and Customer Support
- Worked on building infra for critical alerts using Grafana
- Worked closely with Trading Desk to automate their operations

For: 100X Technologies Private Limited
