Certificate of Internship

This is to certify that **Nehil Sood** of LNMIIT Jaipur batch of 2019-2023 has successfully completed an internship spanning from 2nd January to 30th June 2023.

During his tenure as an AI Research Intern, Nehil demonstrated an exceptional level of dedication and ownership in his role. His commitment to his responsibilities was evident in his work ethic and the quality of his contributions. Nehil has gained a profound understanding of 3D deep learning by diligently engaging with research papers and demonstrating a keen aptitude for implementing cutting-edge research ideas.

One of Nehil's standout qualities was his proactive approach to exploring & experimenting. He exhibited a remarkable ability to navigate complex new code bases from various domains. From delving into the AI codebase to deploying innovative solutions for Augmented Reality, Nehil made noteworthy contributions to the end-to-end pipeline of our 3D AI product development.

Throughout the internship, Nehil consistently displayed a high level of professionalism, teamwork, and adaptability. I hereby certify his work to be “**Excellent**” to the best of my knowledge.

We wish Nehil all the best in his future endeavors and have no doubt that his skills and insights will continue to make a positive impact in the field of AI and beyond.
