Dear Manuj,

PFB the candidate details for your reference.

1. Mitanshi Garg from CSE
2. Nandini Bajaj from ECE

Regards,

Sonu Jose

This email is from an external sender.

Request you to share the names of the summer interns hired so that we can exclude them from other summer internship process.

Dear Manuj,

We have 2 summer intern hires from your campus but they bagged the offers through a selection process that we conducted for the 'Talent Sprint' scholars. It won't be unfair to say they both led us to inviting your campus for the pooled drive (saying this since we did not have any previous on-campus association) – unfortunately, the pooled process didn't yield the results that we were expecting.

Warm regards,

Sonu Jose

Dear Sonu

Do you have any selections from LNMIIT for the summer internship? As per our earlier conversation, you mentioned that there are no selections.

Thanks & Regards

Dear Prof. Manuj and Team,

Greetings from Intuit's University Recruiting Team!

We are currently in the process of completing our batch planning and determining the start date for our summer interns. To assist us with this, could you kindly provide us with the following information?

Course/Branch	Even semester exam end date	Earliest DOJ possible	Odd semester start date	Proposed Internship end date

Please note that the minimum internship duration is 8 weeks and maximum is 12 weeks. However, we would strongly recommend a minimum 10 weeks internship (as opposed to 8 weeks) as it will allow the intern enough time to settle in and make an impact.

Basis your inputs, we shall finalise the joining and exit dates and communicate the same back to you and the interns.

Would be great if this can be closed by Tuesday, 7th March EOD.

Regards,

Sonu Jose
