Creative Writing Workshop - by 'The Scribbled Stories' at LNMIIT

A workshop always means a great atmosphere, working, thinking, and at the end of the day you've created something. With such sheer optimism and lively enthusiasm, Creative Writing Workshop - by 'The Scribbled Stories' was conducted by C-CSPD & The Literary Committee LNMIIT on 18th Feb'23 the second day of the vibrant cultural fiesta 'Vivacity'.

The workshop witnessed none other than the co-founder of The Scribbled Stories page which has over 4.5M+ followers as of 25th Feb. 23. Incredibly witty and with a phenomenal sense of humor, the person was one of a kind. With the help of various demonstrations and examples, he elucidated even the most complex of concepts with utmost clarity. He conducted an 'Ask a Question' session in frequent intervals as well. Not only did he inspire writers to continue writing but also encouraged non-writers to enter into this remarkable world of writing. He showed how one can start writing with just a single word in mind and build an entire plot out of it. He explained the art of micro-tales. He also showed how he makes his Instagram posts, what's his and his team's thought process and how he ensures the success of one.

After the workshop had ended, he even left us with a Tumblr link where we could submit our stories, poems, and open letters, the deadline of which was 24th Feb. Selected submissions would be posted on The Scribbled Stories page on 1st March'23 throughout the day. Truly, 'The Scribbled Stories' workshop was an amazing learning experience and a time frame worth cherishing.
