

Anti-ragging e-undertaking form for the faculty member & staff

Dear Colleagues,

As per the directives of the Honorable Supreme Court on anti-ragging measures, all the faculty members and staffs need to be sensitized about the menace of ragging and its prevention. The following points are 5th & 6th points of the attached document, "Summary of the judgment of the Hon. Supreme Court delivered on the 8th may 2009".

- The Hon. Supreme Court said that not only the students, but also the faculty must be sensitized towards the ills of ragging, and the prevention thereof. Non-teaching staff, which includes administrative staff, contract employees, security guards etc., have also to be regularly sensitized towards the evils and consequences of ragging;
- The Hon. Supreme Court ordered that the Principal or Head of the Institution/Department shall obtain an undertaking from every employee of the institution including teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns etc. that he/she would report promptly any case of ragging which comes to his/her notice. A provision shall be made in the service rules for issuing certificates of appreciation to such members of the staff who report ragging which will form part of their service record.

Based on the above directive we request all the faculty and staff member of the institute that if you come across any activity inside/outside the campus where students of The LNMIIT are involved and that falls in the category of ragging (as defined by the UGC, given in the attached file), then kindly drop an email at antiragging@lnmiit.ac.in with the names and roll numbers of the students involved (both senior students and first year students) and also disperse them off. An example of the activity that you might witness would be where senior students make first year students in a line and get their "INTRO".
