Dear Sir,

Greetings from Jio Platforms Limited!

We are hiring smart, tech savvy engineers who have an ability and inclination to learn Information Technology domains and latest technologies quickly, possessing excellent communication skills along with analytical mindset and are flexible and ready to work in a fast paced and dynamic environment.

Offer Details :

Our skill-based hiring plan will offer three levels of CTCs as mentioned below based on our assessment of candidate's skillsets:

- 1.) **Jio Spark** – 5 LPA (15% Performance linked incentive)
- 2.) **Jio Ignite** – 6 LPA (15% Performance linked incentive)
- 3.) **Jio Illuminate** – 7 LPA (15% Performance linked incentive)

Required Profile :

- B.E. / B. Tech (CSE, IT, EC/ENTC, EE, EX) graduating in 2023

Eligibility Criteria :

- Minimum 60% in 10th, 12th/Diploma, B.E/BTech (current aggregate)
- No year drops during engineering
- No active backlogs

Job Description :

Based on the skills of candidates and requirements of the organization, selected candidates from all three levels, will be assigned to different Business Units and will work in fields like Software development, Testing, Automation testing, Operations, DevOps, UI/UX, Project Management, Product Management, Data Analytics and will get a chance to learn latest technologies like AI/ML/Data Science etc.

Requesting you to provide the details of students in the **template attached** by **19th November 2022 before 6:00 pm**.

Request you to please provide sheet wise data for virtual drive for different amity campuses.

Will confirm the drive date with all other details/rounds of process, after receiving the data from your end.

Kindly connect with me on mail/call in case of any queries.

Stay safe & healthy!

Thanks & Regards,
