Subject: Congratulations – Amazon internship offer details enclosed!
To: Shruti <19ucs081@lnmiit.ac.in>

Hi Shruti,

You got the internship!

We are thrilled to extend you an offer to join Amazon as **Software Development Engineer Intern**. Congratulations!

We know that managing school commitments and job interviews is a lot, and we appreciate the time and effort you dedicated to the process.

Please review your offer details below, and complete [this survey](#) by **September 22nd, 2022** so we can capture your offer status and note your location preferences.

We also encourage you to take a look at the [mandatory onboarding documents](#) that you will need to submit closer to your start date. Team, Hiring Manager details and mode of internship will be shared 30- 45 days prior to your start date.

Stipend per month in INR	Internship start date (tentative)	Internship end date (tentative)
80,000	January 2023	June 2023

In addition, your offer includes the following benefits:

- 1. Relocation allowance.** You are entitled to EUR 400 per month as relocation allowance. These funds can also be used towards other expenses such as checking baggage, utilities, furnishings, etc. The amount is in EUR and will be converted to local currency at time of payment. The actual amount received will be prorated based on the number of days of internship. For internships lasting three months or less, a one-time stipend payment will be paid approximately 45 days prior to start date. Should internship last beyond three months, a monthly payment begins in fourth month. Please note that the relocation allowance is only applicable for onsite/hybrid internship and not for virtual internship.
- 2. Meal card** of INR 1,100 per month.

If you have questions, please email studentconnect-apac@amazon.com, and our recruiting team will reply within three business days.

Once again, congratulations, Shruti! We are excited for you to come build the future with us!

Thank you,

Amazon Student Programs
