RULES

- 140+ players will be available for bidding in this IPL Auction.
- A database of players up for grabs is based on their performance in IPL.
- Each team can spend up to **100 crores** during the auction; Failing to spend within the limit will lead to disqualification.
- Each player available for the auction has some attributes(credit rating points) from 0 to 100 (0 is worst and 100 is best) based on their stats in IPL. The detailed performance of each player will be shown to you on the projector.
- Each team should manage to select **11 players** (with 4 batters, 4 bowlers, 2 All-Rounders, and 1 wicketkeeper), failing which they will be automatically disqualified. There are 9 icons there in the auction pool; you decide to buy them or not. Here you have the option to buy them. If any of you purchase the icons, they will be added to your 11 players themselves.
