The Centre for Energy and Environment Studies conducted the invited talk by Mr. Raghu Hari Dalmiya on Title: Sustainable development of Chidawa through public participation on 01.02.2023 from 11:00 AM to 12:30 PM at LT-12, LNMIIT, Jaipur under this wing. Dr. Rahul Banerjee, Director, LNMIIT, Jaipur spared time from his busiest schedule to grace the event and motivated participants to on that Sustainable development is a crucial aspect of modern society and has become a global concern. The concept of sustainable development focuses on balancing economic, social, and environmental factors to ensure that future generations can also enjoy a high standard of living. Dr. Kamal Kishore Khatri, Associate Professor, MME & Lead, CEES addressed the sustainable development of is utmost importance and can only be achieved through active public participation. By engaging the community and empowering local organizations, the town can ensure that its unique cultural heritage and natural environment are protected for future generations to enjoy. Dr. Praveen Sharma, Assistant Professor, MME & Co- Lead, CEES give his vote of thanks to all who have gathered for talk. Extend a special thank to our keynote speaker Mr Raghu Hari Dalmiya, who has provided us with valuable insights and has inspired us with their words. Around 35+ faculties, PhD scholars & students from various fields had joined in the webinar physically. Mr. Tushar handled the stage during the whole event without any error. At the end, Mr. Mandeep Singh, PhD Scholar, MME heartily thanked all dignitaries and participants for their active involvement. The organising committee including Mr. Mandeep Singh, Mr. Shiv Prakash Dadhich, Mr. Rajnish Maithani (PhD Scholars), Mr. Sandeep Saxena (Technical Superintendent, MME), Mr. Tej Bahadur Yadav (Junior Technician, MME) & Mr. Rakesh Gawariya (Technical Support) made this event a huge success.
