19	Brief note about the event	<p>The G20 Digital Innovation Alliance is a visionary initiative that aims to recognize and support innovators that have digital solutions for critical areas such as Ed-tech, Health-tech, Agri-tech, Fin-tech, Secured Digital Infrastructure, and Circular Economy. These themes have been chosen by the Ministry of Electronics and IT as they are of vital significance for global communities and have the potential to transform the lives of millions of people.</p> <p>Through this initiative, they aim to create a platform for innovators and entrepreneurs to showcase their digital solutions and drive growth and development in various economies. This will not only benefit the innovators but also the wider community as it will create new jobs, drive economic growth, and improve the quality of life of people.</p> <p>This session was aimed at raising awareness about the G20 Digital Innovation Alliance and encouraging innovators and entrepreneurs in you to participate in this initiative. We believe that this initiative has the potential to transform the world and create a better future for all. Event was appreciated by all the students and faculty members.</p>									
20	Program Outcome? If any	Awareness creation and dissemination of knowledge. The event was initiated by the LCTBI & EL Centre to create awareness on G20 Digital Innovation alliance and encourage students and faculty to innovate and participate in these initiatives.
